RESOLUTION

Resolution # 20 1125

Moved by : La

Seconded by: Gi

BE IT RESOLVED that the Council of the Municipality of Norfolk Treherne agree to charge renters for firewood and set the rates for the Cottonwood Campground including GST for the year 2020:

30 amp or 50 amp Electricity, Water and Sewer	\$35.00 per day \$1,825.00 seasonal rate - maximum of 20 sites per year. Actual site numbers will be selected by campground manager, usually seasonal sites will be grouped in one section.
Unserviced Sites	\$20.00 per day (these undesignated sites may be offered at the discretion of the campground manager and are not to conflict with other site bookings).

SEASONAL:

Seasonal sites will be available to previous year's seasonals first. Seasonal renters may have the option of storing their camper on site for a fee of \$400.00.

No double sites can be booked as a seasonal site unless both sites are booked together for the season. If both sites are booked this would count as 1 seasonal booking in this area.

Seasonal site registration must be received by the Campground Manager with full payment by **April 1st of each year** or the site will be released to the next person on the waiting list and that person will be given 7 days to pay for the site before it is released to the next person on the list and so on.

The campground will open the Friday before the May Long Weekend to the Public.

OVERFLOW: along visitor parking (visitors can park vehicles on Fairgrounds if this area is used).

OTHER

Picnic Table Rental \$50.00 as per policy
