

## Request a Program

Tiger Hills Recreation District is always interested in offering new recreation programs and classes for area residents of all ages to enjoy. If you are looking for a specific type of program to be offered in your community, let us know! Suggest programs or instructors to THRD and we can do our best to bring that class or workshop to the Rural Municipality of Norfolk Treherne and RM of Victoria.

## Program Instructors Required

If you or anyone you know is proficient in a talent or skill and would be interested in providing instruction, contact the Recreation Office. Prior teaching experience is preferred but not required. The class outline, facility requirements and age groups are negotiated with each instructor. You propose the class you wish to take or teach, and we provide the necessary support. Classes may be a one-time workshop or a series; they can also be offered in more than one community.
